

NEW GENERATION  
SIDING

**timberblock**

ASH collection

Timberblock ash siding is a unique combination of advanced technologies and a natural beauty of wooden facades. By its look, color and by touch it's a full analogue of the wood. The imitation accuracy of natural wood is so high that the distinction is almost invisible.

## CHARACTERISTICS

	Length	3400 mm		Gross weight	16,11 kg
	Effective width	230 mm		Amount in package	10 pcs
	Thickness	1 ± 0,05 mm		Quadrature in one package	7,82 m <sup>2</sup>
